RE: Site Inspection, Northern Stone Supply, Red Hill #1 Project, S/001/028, Beaver County, Utah

Date of Inspection: July 22, 1999
Time of Inspection: 4 p.m.- 5 p.m.
Conditions: Sunny
Participants: Ed Ginouves, Cedar City BLM; Tom Munson, DOGM

Purpose of Inspection: Operator request to inspect and release the site as checked on the 1998 fee form.

The operation is approximately 2- 3 acres in size with three mining areas and a large turn around. There was equipment on site and evidence of recent activity. Division records need to reflect the outcome of this inspection and this project put back on active status. The operator needs to pay for the 1998 and 1999 annual fees.
